

## **PREFINISHED HARD MAPLE PREMIUM Maine Traditions**

### **Features**

Hard Maple is the tree species preferred in many wood flooring applications. From basketball courts, ballet & dance studios, and bowling alleys to your modern day home; all uses for durable long lasting Hard Maple flooring. Whether you are looking for the brilliant white, clean, and clear look of Premium grade, or the popular earth tone look and character of Coastal grade Maple we have what you are looking for.

**Our Premium grade of Hard Maple** provides the true white, clean appearance many designers are looking for in today's modern homes. The Premium grade is produced to showcase the clean beauty of the floor showing only minor defects in the natural appearance. The grade has a minimum board length of 18 inches.

**Hard Maple Coastal grade** floor provides the richest grade for those looking for color contrasts with white, brown, and green colors throughout; along with character, and varying grain patterns. The perfect floor for someone wanting to pull colors from the walls to the floor, and through the room and home. The grade has a minimum board length of 10 inches.

Hard Maple Coastal Grade is also available in these stain colors: Honey Rose, Classic, and Whiskey.
