

PREFINISHED RED OAK

Maine Traditions

Features

Produced from the Northern Red Oak tree, our Red Oak flooring shows the true beauty of Oak. Northern Red Oak provides a deeper red tone, tighter grain patterns, a bit more hardness than its southern cousin.

Our Premium grade floor shows the clear and consistent color and grain patterns one would expect from a high quality Red Oak floor. Minimum board length is 18 inches in the premium grade helping to provide a longer average length.

Our Coastal grade floor provides the character, color diversity, and true flavor of Red Oak. Natural wood colors, solid knots, mineral streaks, dark heartwood are all included in this grade to provide the customer with a diverse floor with character. Minimum board length of 10 inches.
