3321-786 MIDNIGHT

3321-796 COCOA

THE MANCHESTER COLLECTION

Designed and styled for the discriminating residential consumer looking for affordable decorative carpeting. Manchester's machine Wilton Woven construction of superior performance heat set polypropylene minimizes fuzzing and shedding and reduces dust and allergens associated with the accumulation of fibers that have become dislodged.

Although designed for residential application, Manchester is also well suited for light to moderate commercial use.
