

ABOUT FLEXITEC, SECOND LARGEST VINYL SHEET MANUFACTURER IN EUROPE

IVC US Inc. is the US subsidiary of the second largest sheet vinyl manufacturer in Europe, IVC Group with headquarters in Avelgem, located in the north of Belgium.

IVC US Inc. is headquartered in Dalton GA. Out of a 220,000 Sq. Ft. warehouse in the “carpet capital of the world” and a West Coast Distribution Center in Rancho Cucamonga CA, IVC US distributes a wide range of cushioned back sheet vinyl products specifically designed for the US market.

The luxurious cushioning and easy-care top layer technologies combined with unique and realistic designs have changed the residential sheet vinyl category dramatically since its introduction in the US market in 2004.

Add to this revolutionary product an exceptional focus on customer service and quality, and you have the main ingredients for IVC’s success in the United States and throughout the world.

“*NEVER TAKE ANYTHING FOR GRANTED*” is the IVC motto.

IVC constantly strives to improve its technology, to create the best designs and to exceed customer expectations
